

Hi Neighbors,

We have lots to share. Here's a quick summary:

1. [GoFundMe](#) launched for garden donations!
2. [Vote](#) on mural design by July 20th
3. Join Caltrans safety training for gardeners July 23rd
4. Stop by our [Temescal Fair booth on July 12th](#)

See below for details:

Donations:

We set up a [GoFundMe here](#) to raise money for the garden. We can't get started until we raise enough \$\$\$ to break ground so please share the fundraiser with friends and family. Also if your employer has donation matching, contact Vincent at our garden email address. We can accept donation matching under *SideWalk Trees and Gardens* which is a 501c3 nonprofit.

Mural:

The freeway column at 54th & Shattuck is an opportunity to add a mural to our community pollinator garden project. The first step in this process is determining the subject matter for the mural, and we would love your input for what plants and pollinators our ecologically-focused

mural should include! Between now until **July 20th**, cast your vote at this link

Temescal Fair:

You can also stop by our table at the Temescal Street Fair **this Saturday from 11am-7pm** to cast your

vote in person. We have a booth near 49th and Telegraph. Hope to see you there!

Safety Training:

If you're interested in helping to lead gardening work in the future, please come to **Caltran's safety** training on Wednesday July 23rd 9-10am at 54th and Shattuck. Email me if you want me to be added to the calendar invite.

Thank you,

Garden & Mural Volunteers
